Spotlight:
Nanticoke Immediate Care

When it comes to health, you want to get the right care in the right place. So when your hurt or sick and can't wait for a doctors appointment you can count on Nanticoke Immediate Care. Nanticoke Immediate Care offers three convenient locations that are open seven days a week for your urgent care needs. They can be a lower-cost option when you need urgent care for things like ankle or wrist sprains, cold or flu symptoms, low fevers, earaches, minor broken bones/cuts/burns, muscle strains, back pain, and nausea. With no appointment needed and offering on-site lab and x-ray services, extended weekend hours, walk-in care for both adults and children, Nanticoke Immediate Care will be there to help support you and your family. You can even get in line and check wait times online! For more information or for a list of locations and providers, please visit them online at www.nanticoke.org/immediatecare.
